Govt. of Rajasthan  
Jaipur- Camp at Jodhpur

**Subject: Improvement in academic conditions & infrastructure in  
M.B.M. Engineering College, Faculty of Engineering,  
J.N.Vyas University, Jodhpur**

Dear Madam,

M.B.M. Engineering College, Jodhpur is the oldest technical college in Rajasthan; it started functioning from 15<sup>th</sup> August 1951 three, days before the first IIT (Kharagpur) which started on 18<sup>th</sup> August 1951. The College imparts technical education in 12 branches of engineering. The Alumni fraternity of the college is more than 22,000 and has brought laurels in the country and overseas.

### **GLORIOUS PAST**

The functioning of the college was extremely good in the beginning but later on post 1970 era, a deterioration started setting in under the flagship of J.N.V. University of which it become a part in the year 1962. The situation has become so worse that AICTE has put the College under "No Admission" category for the academic year 2018-19 as the gross deficiency pointed out by AICTE are not complied. Copy of order of AICTE dated 10<sup>th</sup> July 2017 is also enclosed for ready reference.

### **SCHEME FOR SURVIVAL**

Without going much into details for deterioration, it would be better to take a stock of present situation and take effective steps for immediate and long term improvement

#### **A. IMMEDIATE STEPS**

##### **a. TEACHING STAFF**

over a period of time teaching staff has been retiring and looking to country requirement student in take has increased by almost 6 to 7 times. The current teacher to taught ratio is more than 60:1(actual strength as on date is only 70) whereas per AICTE norms it should be 20:1(Required Strength should have been 224). As such **New Faculty requirement** is a must.

**b.** Funds being received by the University for Faculty of Engineering from State Govt. / UGC etc and rental from IIT Jodhpur as well as fees being collected from Engineering students as well as for **Self sufficiency** courses to be made available to faculty 100% rather than being used to meet other expenses in the university.

##### **c. INFRASTRUCTURE DEVELOPMENT**

Infrastructure of the college in terms of lecture Theaters, Laboratories, Library, Seminar Halls needs a complete over hauling. Almost no new construction has been done in the campus in last so many decades. Lab equipments to be modernized and new lab facilities to be established. An ad-hoc grant of **Rs 40.00 crore** be

## **M.B.M. ENGINEERING COLLEGE ALUMNI ASSOCIATION**

ALUMNI BUILDING, OPP. SENAPATI BHAWAN, V.G. GARDE MARG, JODHPUR - 342 011

sanctioned to Faculty of Engineering for improving infrastructure and updating/modernizing workshop/laboratories.

- d. Faculty of Engineering be granted the status of a fully autonomous institutions under JNVU in terms of Academic, Administrative & Financial autonomy so that many more grants and Aids / Loans may be taken by this institution from World Bank and other similar bodies for meeting Financial requirements of a professional institution.

### **B. LONG TERM STEPS**

a. **Campus Improvement:**

Ad-hoc grant of **Rs 10 crore** be sanctioned to Faculty of Engineering for bringing up the campus landscape from a marooned jungle to a professional college.

b. **RESEARCH PROMOTION**

Research work to be made compulsory along with substantial increase in admission of PhD students. This would help bringing back old glory of college.

c. **PRACTICAL EDUCATION**

Industry Institution Links to be made compulsory to make the education more practically oriented and promote START – UPS.

d. **LIVING ACCOMODATION**

Hostel facilities and campus needs a complete overhauling and make up looking to the increased strength and non availability of adequate mess facilities.

e. **COLLABORATION**

Overseas collaborations and exchange of students with foreign colleges be permitted & promoted to make the education more occidental in this time of diminishing country boundaries.

f. **ROLE OF ALUMNI**

In the best run educational institutions in the world 'ALUMNI' plays a dominant role Likewise steps be initiated to have identical pattern in this college also.

We request your immediate attention to save this college from the fate of closure which is being faced by many colleges in the state & country.

Thanking you,

For M.B.M. Engineering College Alumni Association

  
(Dr. P.C. Purohit)  
President

Encl: As above.
